@jakeshieldsajj

I'll put 250k in escrow for a bet if
pretending you pathetic loser

 **Nabeal Khan** ✓
@nkecom OP

how much do u want to bet?
let's make it public.
\$50 k in escrow each ?

 **Alex Wice** ✓
@AWice OP

fwiw @MartinShkreli if you can escrow, i can bet \$1m that djt is fake, at
even odds. or even more if u want.

 **InvestingKnight**
@voyaged43502

Open an escrow account, put in 100k, so will I, assign a timeline and we
enter a bet.

\$35 is not happening in 2026.

MOUTH solves that.

How **MOUTH** works

01

Call someone out

Pick any X handle — friend, rival, influencer. Write a statement. Set your stake in USDC and a deadline. Hit publish.

@you

\$100 USDC

vs

@them

\$100 USDC

"GTA VI gets delayed past Oct 2026"

02

They accept or walk away

Your opponent gets tagged on X. They see the terms, the stake, the deadline. One tap to accept. If they don't — everyone knows

Mouth @mouth_app

@opponent — you've been challenged:
"GTA VI gets delayed past Oct 2026"
\$200 on the line. **Deadline: 14 days.**
